## Riverside's Community Kindness Day

On Tuesday, November 25, we held our annual District-wide Community Kindness Day. For the second year in a row, we chose the day before Thanksgiving break in an effort to show our thanks to the community while giving back. Each of our schools partnered with a local nonprofit to work on meaningful volunteer projects that hopefully leave a long-lasting and positive impact on our community.

- Riverside Campus** — Student groups spent the day volunteering on-site at *United Way of Lake County, Sub Zero Mission, Project Hope, The Salvation Army* and *Hope Chest*. The Campus also raised money during its Turkey Volleyball game for its *Adopt a Family Program* where students raise money to go shopping for families in need around the holidays.
- LaMuth Middle School** — Students groups spent the morning hours visiting *Vista Springs* and *Concord Village Skilled Nursing & Rehabilitation* to socialize and entertain their residents.
- Buckeye Elementary** — Students and staff collected socks to donate to *Sub Zero Mission* which had a representative visit the school to speak to the students.
- Melridge Elementary** — Partnered with the *Lake Humane Society* which had a representative visit the school to talk to the students. Students and staff collected items for animals while also participating in a Penny War to raise money.
- Parkside Elementary** — Partnered with the *St. Gabriel Food Pantry* to collect nonperishable food items.
- Riverview Elementary** — Partnered with *Sleep in Heavenly Peace* to raise money to help build beds for children in need.
- Riverside Latchkey** — Collected socks and winter items for *Project Hope*.

A great day in our District where students and staff learned about the needs within our community and volunteered a few hours to make a positive change!

Our MISSION . . . Through a culture of excellence, immerse students in educational opportunities and empower them to excel in an interconnected world.
